

You are either a person that likes to give gifts or one that finds it daunting...

If you are the former, we will make the process of giving gifts much simpler, easier and faster for you. And if you are the latter, well, we will make you the former. Because with Gift Circle, gift-giving is so much fun that everyone comes to love it!

Say goodbye to remembering special dates...

Find the store...

Choose the right gifts...

Delivering it on time...

Gift Circle is the first company that combines social networking and ecommerce. We arrange online competitions like Giftnow, Giftsapp and Giftsmart. The AI based gift suggestions feature is the friend you need to select the perfect gift for your dear one.

Some more tools include:

- o Website
- o Mobile App
- o Insert Button (Retailers Web Site)
- o Chrome/Safari Extension
- o Shopify App Tool

The Insert Button also helps retailers and e-commerce companies to connect their member networks and increase their sales.

So, the next time you think about gifts, you know where to go!
